

Intelligent Organisation for  
Kitchen Drawers.

# Welcome to G&G

## Experts in drawer organisation

G&G is a specialist manufacturer of high-quality kitchen drawer inserts for cutlery and utensils. Well organised drawers are at the heart of every efficient kitchen. Our drawer inserts are carefully designed to ensure everything has its place and is within easy reach.

**03** Vogue 450 Series - for 450mm depth drawers

**05** Vogue 500 Series - for 500mm depth drawers

**Made in Britain**

# Features and Finishes

- Wide range of standard finishes to compliment many drawer colours
- Made to measure external sizes to fit with all major drawer manufacturers: Blum, Grass, Hettich etc
- Minimal external flange width ensuring maximum usable space within the insert
- Flexible design options to work with both cutlery and utensils
- Broad range of widths to suit cabinets 300 - 1200mm
- Our products are designed and made in Britain, using 20% - 30% recycled material, and they are 100% recyclable.
- Also designs to incorporate a range of high-quality timber inserts
- Bespoke requirements and finishes available for bulk orders
