

Absolute Evo

Pocket door system for flush,
framless application

Absolute Evo

Single flush pocket door system
to suit 100mm walls

No jambs, no casings, for an elegantly modern design. Absolute Evo is a system composed of a sub-frame and sliding doors without external finishes, which integrates perfectly into the wall. The ideal choice for those who want minimalist style furniture.

Easy to construct hot-dip galvanised slat panel frame. Material quality DX51 Z100 with thickness 0.7mm.

10 micron anodized AW6060 aluminium track

120 Kg trolleys guaranteed for 100,000 cycles.

Single Door
