Why SELECT?

Colour Matched Hardware

Our SELECT range is built for complete finish consistency. Hinges, magnets, handles, and shelving supports are precisely colour matched, ensuring every detail fits together across the entire project.

Made for Premium Applications

Manufactured from high-quality materials and developed with close attention to detail, SELECT products are built to perform reliably in high-end cabinetry where precision and finish matter.

Quality Without Excess

All SELECT products are developed to meet the standards of premium kitchen manufacturing, delivering the level of quality you expect, without unnecessary cost built in.

Next Working Day Delivery

Every SELECT product is held in stock and ready to dispatch. With next working day delivery as standard, you can keep projects moving without compromise or delay.

SELECT

HINGES

Our SELECT Hinges represent the finest in cabinet hardware, combining exceptional quality with refined craftsmanship. Expertly manufactured from solid drawn brass, each hinge is offered in a curated range of superior finishes, suited to contemporary, traditional, and bespoke interiors alike.

Every hinge is supplied with perfectly colour-matched screws, ensuring a seamless and cohesive finish.

SPECIAL PURPOSE HINGES

SELECT Dummy Butt Hinges are designed to deliver visual consistency across cabinetry where full hinge functionality is not required. Manufactured from solid drawn brass, each piece mirrors the detailing, proportions, and finish quality of our SELECT cabinet hinge range, ensuring a seamless, uninterrupted aesthetic.

Available in the same selection of premium finishes as our SELECT cabinet hinges, and offered in both 63.5mm and 75mm sizes, these hinges provide a refined solution for decorative applications.

Each dummy hinge is supplied with perfectly colour-matched screws.

FINIAL HINGES

SELECT Finial Hinges build on the proven performance of our core SELECT cabinet hinge range, combining precision manufacturing with refined decorative detailing.

Expertly crafted from solid drawn brass, each hinge is available with a choice of finial profiles, including Spire, Ball, and Button Cap, allowing for a tailored, design-led finish.

Every hinge is supplied with perfectly colour-matched screws, ensuring a seamless and cohesive finish.
